## Program Descriptions (12/5/16 dp)

CSC offers a variety of aquatics programs for all ages and abilities at the Sunnyvale Swim Complex at Fremont High School. Residents are required to show appropriate proof of Sunnyvale residency with each purchase (two forms of local I.D.) Without this proof, non-resident rates will apply. **There are no refunds once fees are paid.** Non-resident rates are based on the City current 25% differential.

Safety is of the utmost importance to all CSC staff. Programs or individuals, as noted, may require a “swim test” for proof of swim proficiency. Proficiency will be determined by CSC managers or staff. CSC also reserves the right to refuse admission to the pool to any individual or group that CSC determines is a hazard to the safety of others or themselves. Violations by individuals or groups of written and posted policies will not be tolerated. CSC reserves the right to refuse service to anyone.

CSC takes no responsibility for the reservations or availability of district space or fees required to use their space.

### **Monthly Group Rental**

NEGOTIABLE rates are based on the total time and lanes per month, the number of users, over what period of time the use will occur and the amount of assistance needed to provide for the group.

Designed for groups or organizations interested in ongoing use of the facility. Some examples may include youth swim or dive teams, water polo teams or other such organized groups, not a part of the California Sports Center's regular programs or teams. This use is designed primarily for those outside groups with properly certified and registered staff of their own not requiring any CSC staff support on the deck.
